# RESIDENT SPOTLIGHT

KENT A.

Kent was born in December 1958 in Fullerton. He grew up in the nearby city of La Habra. His mother is Louise, and he has a sister and brothers. He has never been married and has no children of her own. Kent loves to play basketball and baseball. He also has a passion for writing songs, and enjoys music in general. Astronomy is another hobby of his because he loves looking at the stars, moon and planets with his telescope. Kent's philosophy is that as a human being, we should try to treat every other human with respect and dignity. He believes there is only one race and that's the human race, so we should be good to one another.
